

THAKAR

Associates Private Limited

Company Profile

About us

A skilled team can only build the future!

Thakar Associates Pvt. Ltd. established in 2019 formerly known as 'Prasad Thakar & Associates'. Our company is led by Director and Owner Prasad Thakar, who brings a wealth of experience with an impressive 34-year journey in the construction industry. In addition, Swastik Thakar, our Chief Engineer, has been an integral part of our team since 2010, contributing significantly to our success.

We are a dynamic Engineering and Construction services firm that thrives on cutting-edge technology and the utilization of top-tier resources to deliver exceptional infrastructure development solutions. We have been catering to our customers for 30 years through our sister company 'Prasad Thakar & Associates'. What sets us apart and gives us a distinct competitive edge is our in-house expertise in quality assurance, project management, construction, operation, and maintenance.

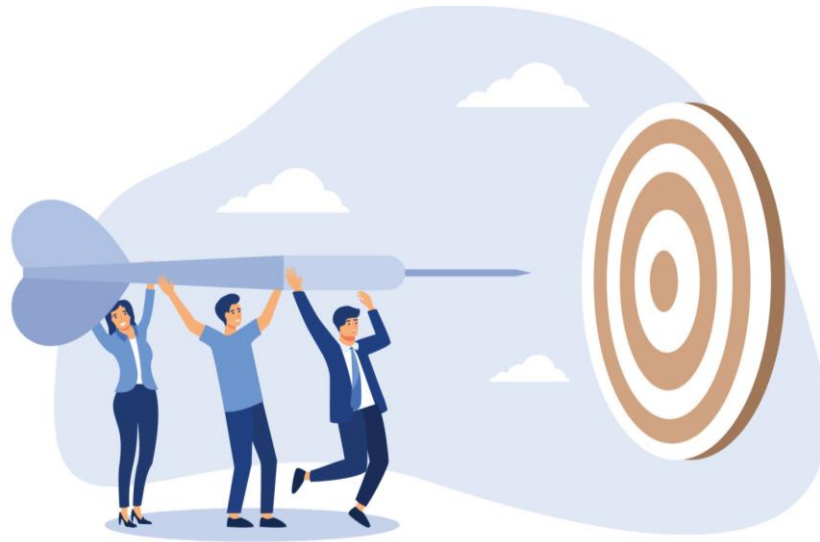

Our project portfolio spans a wide array of sectors, showcasing our proficiency in diverse areas, including industrial development, infrastructure, residential and turnkey projects and innovative projects like rainwater harvesting initiatives, CSR initiatives.

Vision & Mission

To become a leader in the infrastructure and development sector while maintaining the quality, standard, and ethics of newborn technology.
